An initial, non-refundable deposit of €1000 is payable to secure a student's place in Hewitt College. This deposit does not entitle a student to attend classes.

The fee payment must be submitted to the office before the class commencement date.

In the event of a cancelled application, for any reason, Hewitt College will retain the full €1000 deposit.

If the student leaves after the commencement of the academic year, Hewitt College will retain the deposit of €1000 and a proportionate amount of the fees.

There is no refund of fees for students who leave after January 1st of the academic year.
